

## Grade 7 Natural Science Worksheet

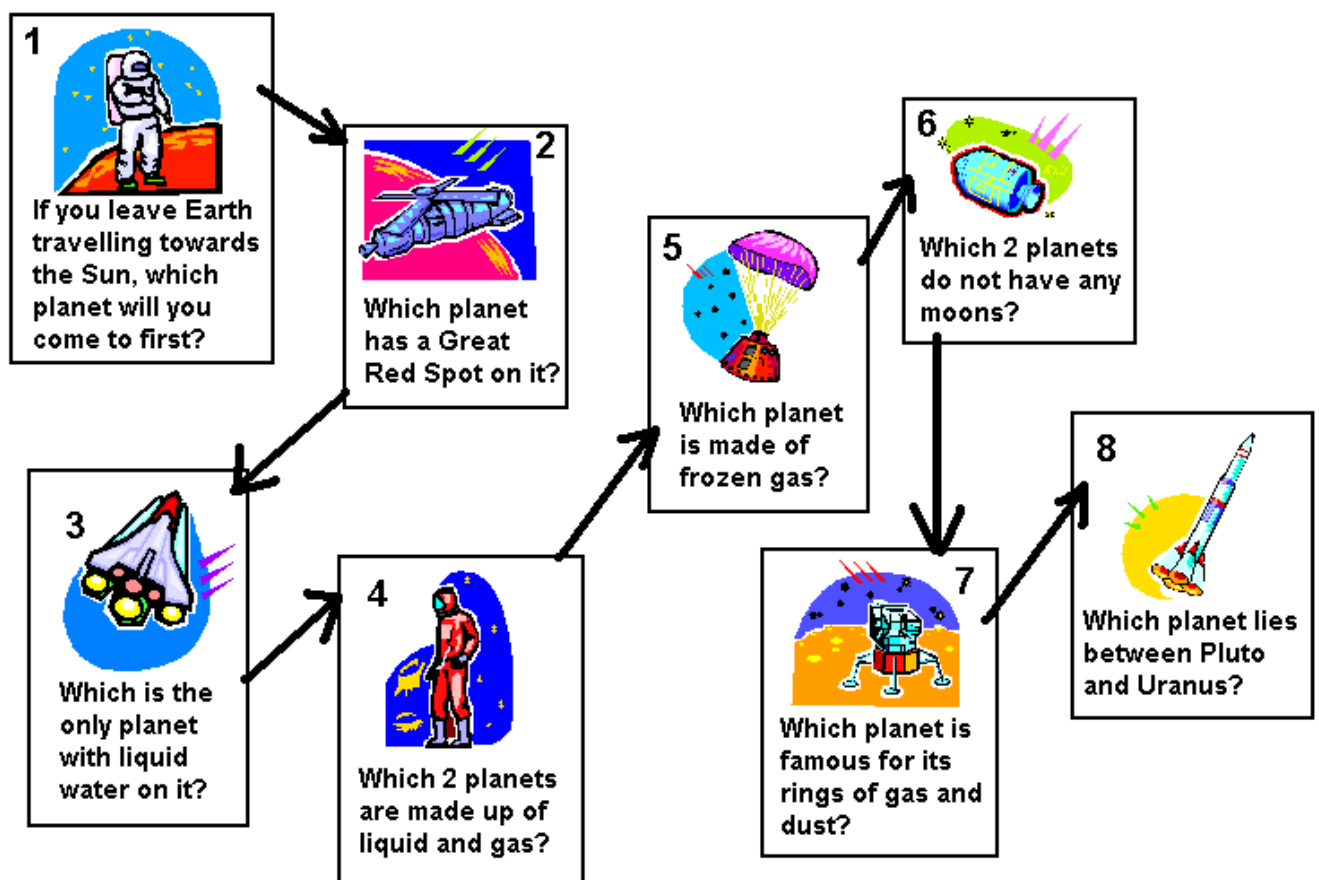

### Assessment Task: Solar System

#### Solar system round-up

You need to choose a fellow astronaut for this activity!

You and your partner astronaut have to answer these questions.

The first astronaut partnership to complete all the questions correctly wins!

Once you have played the game, you will understand the kinds of questions that can be asked when playing a game such as this.

Together with your astronaut partner, devise another 10 questions. Make sure you know the answers to these questions! Now give your questions to another partnership and you answer their questions.
