

Grade 8 Life Orientation Worksheet

Campaigning against pollution

Poster

Make a poster. Your poster must campaign against pollution. Show the causes, effects and possible solutions. Choose one of the following topics:

- Air pollution
- Water pollution
- Soil pollution

How to prepare your poster:

- Draw or cut out pictures from pamphlets, newspapers and magazines.
- Make sure that your headings are larger than the rest of your writing.
- Plan your poster! Make sure all the facts that belong together are under the same heading.
- Don't "overcrowd" your poster with information and pictures. It must be clear to everyone what your poster is all about.

Your teacher will assess your poster using the following rubric.
